## Practicing Thankfulness

We all know that we should be grateful for our many blessings. God tells us in His Word to be thankful, and we know from our own experience that once we seriously start praising God, our burdens and troubles seem to weigh less heavily on our shoulders.

David said, "I will bless the Lord at all times; and His praise shall continually be in my mouth. Many evils confront the [consistently] righteous, but the Lord delivers him out of them all" (Psalm 34:1, 19 AMP).

That's the power of thankfulness. Not only does it help set us free, but as we pause to give thanks to God for the blessings we enjoy in our lives, we actually begin to find more blessings and even more for which to be thankful!

I encourage you to take time to practice being thankful. There is so much for us to be grateful for and we need to focus on it every single day. Keep in mind the admonition of the psalmist, "Be thankful and say so to Him, bless and affectionately praise HIS name!" (Psalm 100:4)

Praise God for the truly incredible power of thankfulness. Praise God for blessing you daily and working in you life. Realize that without HIM you have nothing and thank HIM for the goodness that HE has shown you.
